Subject: CPRA request (LAPC.2020.07.28.a)

Good afternoon, Mr. Tefank.

I'm hoping to get access to the following records:

1. Daily calendars of IG from 2019 and 2020

2. Emails in the possession of anyone on the staff of the OIG that are to/from/cc/bcc any email address at lapd.com from 2019 and 2020

3. Emails in the same time span in the possession of anyone on OIG staff that are to/from /cc/bcc anyone representing LAPPL that are not already covered by previous parts of this request.

I need the emails in native format which, if OIG is on LAPD's Outlook system, are MSG or EML. If they're on the City's Gmail system it's EML or MBOX. I also need the attachments in their own native format. I don't mind if you export the calendars from Outlook to PDF although I'd prefer native format. If you do export them please take care to adjust the export settings so that everything's legible, which does not happen automatically with Outlook.

Thanks for your help,
